Palestinian Political Prisoners: The intersection between International Law and the Palestinian Struggle

Wednesday 20th February 2013: 6.30pm – 8.00pm

Lawyers for Palestinian Human Rights and Jews for Justice for Palestinians invite you to hear Sahar Francis, the General Director of the Ramallah-based Addameer Prisoner Support and Human Rights Association.

Sahar Francis will discuss the situation of Palestinian political prisoners within the context of international law and human rights standards. At a time when Palestinian political prisoners are undertaking hunger strike protests against the controversial use of administrative detention - detention without charge or trial based on secret evidence - and harsh prison conditions, Ms. Francis' wealth of knowledge will be valuable to anyone seeking to enhance their understanding of this significant issue.
