Interested in human rights?

If so, join us for this exciting event, featuring Sahar Francis, director of Addameer prisoner support and human rights association.

Under international law, everyone has the right to defend the human rights of themselves and others through peaceful expression and assembly. This talk will focus on the situation for Human Rights Defenders and political prisoners in Palestine and how it can be transformed. It will be followed by a Q&A and a glass of wine afterwards. The event will also launch the Student Network's recent legal report on the right to protest in Palestine, and will be an opportunity to join us for this upcoming year. Hope to see you there! RSVP via [eventbrite](https://www.eventbrite.com) or for more information, e-mail lphrstudentnetwork@live.co.uk or find us on Facebook.
